DECLARATION AND POWER OF ATTORNEY

As below named inventors, we declare that we have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to in this Declaration, that the information given hereth is true, that we believe that we are the original, first and sole inventor if only one name is listed at 201 below, or a joint inventor if plural inventors are named below at 201 et seq., of the invention entitled: **BLOCKED MERCAPTO SILANE COUPLING AGENTS FOR FILLED RUBBERS**

which is described and claimed in:

[] the attached specification or
 [X] the specification in application Serial No. PCT/US98/17391, filed on 08/21/98.

that we acknowledge a duty to disclose information, including that which occurred between the filing date of the prior application and the filing date of this application, that we are aware of which is material to the examination of this application in accordance with 37 CFR 1.56(a), that this application discloses and claims subject matter disclosed in part in our earlier copending application identified at 105 below, that as to the subject matter of this application which is common to said earlier filed application, we do not know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof, or patented or described in any printed publication in any country before my or our invention thereof, or more than one year prior to the date of said earliest application or provisional application(s), or in public use or on sale in the United States of America more than one year prior to the date of said earliest application or provisional application(s), that said common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earliest application or provisional application(s) in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of said earliest application or provisional application(s) and that no application for patent or for inventor's certificate on said common subject matter has been filed by us or our legal representatives or assigns in any country foreign to the United States of America prior to the date of this application except as identified at 600, 601 and, as required, 602 below.
